

# AGRICULTURE BOOKMARK CONTEST

Kids can design a bookmark illustrating how agriculture affects our lives each day. Whether it's enjoying a glass of milk from a cow, eating apples from a local grower, wearing clothes made from cotton, eating cereal made with wheat or corn, or reading a newspaper printed using soy ink. Show us how farmers impact our lives!

The winning bookmarks will be duplicated for distribution this summer at local libraries and Whiteside County Agriculture in the Classroom.

**Mail entry to:** Whiteside County Farm Bureau Foundation
